And the time you have is until this burns to ashes.
Do you understand?

You don't have the money, right?

Please tell me if you know!!
Where is he now!?
How did you get your hands on this??
Wait a second I'd rather take off your brother pants
Hey, what a
You really lack manners.
Shouldn't you introduce yourself first?
Kirishima Otoji
I'm his younger brother
Haa...
So you're the "Otoji" -chan.
Eh?

So you really do know my brother!
Oh well
Fugitive? He looked more like a fugitive.
I got to know him here a month ago I just lent him lodgings for one night
He was penniless at that time so he left THAT in place of the rent
Assorted second hand musical instruments are not worth much!
ZIP!
"NO UNDERWEAR"
I heard about you from him
He said that he had a brother my age
Did he say anything else?
I want information anything would do
Cook Sucker
Fuck!
Psst
Anything else...
not particularly
In other words that was all that I had to do with him -- I have no idea where he was going off to
It's alright he's already an adult To disappear like that is...
My mother said that he's working here

It's a dangerous job so the only way to make sure that he's alive is the promise to contact me once every week.
But it's already been a month
He must have met with some accident..!!
I had no other choice than to come to this city
And until I find a clue there's no way I can leave this place.
Come!
...eh?
You have no money right? Are you planning to live in the streets?
Jeez, what a troublesome pair of brothers
This person.

He's actually more compassionate than I thought!
It's 3000 yen for a night's stay.
I guess not really.
Meals bath and television is included. Fair enough right?
You can use the bed too I won't be coming back until the morning
Thanks to you earlier I didn't finish my business I've gotta go out to make a living you know----
THUMP
Why are you blushing like that? Are you a virgin?
Lend me your shower!
Ah ha

Shakes violently.
Don't tell me that he did it with my brother too.
SPLASHHH...
Letter Otoji, how are you?
I'm in Yokosuka because of work now
I'm living very well at the moment, so don't worry.
Don't slack off at school just because I'm not there.
Otherwise, our parents living in the countryside,
Will be furious at me
Don't say to me "Let me come to Tokyo and have fun."
SPLASH
If it was brother, he would have understood it, right?
It's not that I want to do anything in particular.

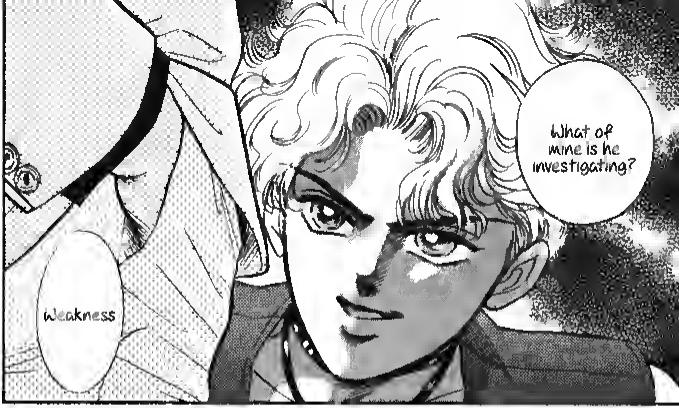
That's why I asked Brother to let me go to Tokyo.
If it was buried in a vein of ore, it wouldn't be right to mine.
For example, no matter how valuable a precious stone is,
Why did he bring my auto-sterephone with him ——?
He couldn't calm down and the time he spent at home decreased.
Although I had thought that it was because of his work.
—recently, I realised that Brother has become strange.
DIDN'T I SAY IT EARLIER ALREADY?
I have things I want to ask him
Where is Brother?

I am only selling condoms!
And that cost 50 bucks? Don't feign innocence! You were accepting customers weren't you?
You're commonly know as "Hustler Joe".
Everyone knows the implication of that other than at billiards!
You're selling yourself just like your mother did!
You bastard!!
SLAP
That's enough! Release him now!
Get lost!

He's protecting Joe? What's their relationship?
He's in charge of credit loans in the Tokiwa Group. The ones controlling the sale of dope
That's the rumored Nedu Kyousuke
Isn't the new leader of the Tokiwa Group and the Nedu faction having a factional war right now?
More importantly, isn't it just their own self-destruction no matter which way it goes?
That way our work won't be so troubled by them...
SAM

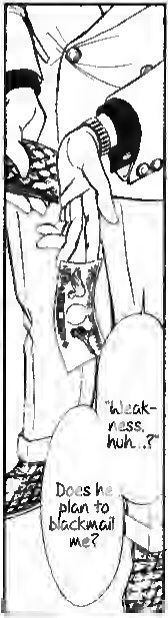
You hid the fact that you had dropped out of school from me!
If I had told you would have hit me like you're doing now! And who are you to say anyway? My father?
Perhaps
As you know your mother was known as the "Lily of Yokosuka".
She loved countless men at the same time
Right now there's a Kirishima Otoji at my place.
That's right.

SPK slap
The younger brother of the Kirishima Seiishi we killed.
But that stupid brat is not the damn detective.
...I thought that was done by Tokiwa's foul killers.



What of mine is he investigating?
Weakness

hhmm go buy some condoms maybe?
It'll also let you get something nice to eat



"Weakness, huh..?"
Does he plan to blackmail me?

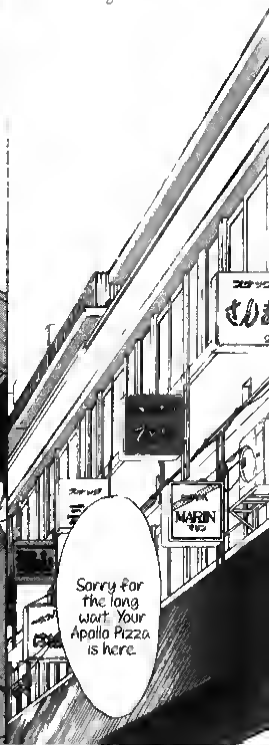
APOLLO PIZZA
You--! You're planning on just staying here?
I know I'm causing you trouble but...
I feel reassured staying with someone that has had contact with my brother even if it's just a little.
...do whatever you want
It's pretty much normal thing in this town isn't it?
What a weird combination.
Miso soup and pizza?
Doesn't it taste good?
And so

Our strange life of living together began.



Who's "Nedu"?
Well -- that was about a month ago I think.
Aren't you asking a little too much?
When was that!?
He was pretty unshaven and reeked of manliness more but he was still a good man!
Come to think of it he looks like the man that was asking about Nedu-san
SLAM

Don't you see? This is not a world you can meddle with!
What's your relationship with Nedu?
What are you keeping quiet for?
"Otoji-chan"
You don't know anything at all —
Don't even give me bullshit about that!
Don't you even have pride!?
What in the world are you?
Isn't it wretched doing it with other men?

!?
I'll tell you then.
The one your brother was running away from is you
He wasn't working or anything when I met him
I was the one that approached him.
I am a pro so I knew it.
He's a man that liked men
.....YOU'RE LYING!!
I'm not lying
He did it with me right here. 7 time in a row
What do you think he cried out when he came?
He called out for you in a heartrending voice.

PUNCH
SHUT UP!
He cried "Otosi"...
Do you think that all the vulgar things you are saying are believable!
Don't sully my brother!
Why do you think he was holding on to your saxophone!?
It's painful isn't it? Homosexuality and incest

It was something that I just vaguely felt
Probably.
My brother is already no longer anywhere in this world--

How much longer are you staying here? You're irritating you know

Joe... are you in love with Nedu?
Don't make such a joke!

You behave as if you would support anyone that is the victor and interests you in the same moment!
The reasons you give are unacceptable.
It's just to work on the streets you need a strong backer
I'm just using him
Then why don't you kill him?
You've said enough!
I've wanted to kill that bastard for a long time already-- a lot longer than you have!!

Sigh ...
That's right.
Shall we try killing him together?
Indeed.
After we kill him, we have to make sure we can't be traced. In any event--
He is still the head of an organization.
Let's shoot him when he is alone
I've checked he has several mistresses in different homes.
There's only one woman that's hidden that no one else knows about.
This is more exciting if we share our knowledge.

Do you know the L apartments beside Otsubama Station?
I remember sending a dispatch there once!
The person who we need has shown up
Even though it's troublesome
Even his underlings don't know of it.
He always goes to meet her alone.
And because of that it was erased.
Hey brother!
Right on time.
Let's go.
Alright let's get going

But... oh dear it's a back view
Some marines bought the one with the faces already.
Ah, stylish fellows, they were.
Rather than a family trip photo, a portrait was left instead.

This portrait of his family?
Family!
Somehow it's not something I can associate with Joe
Who his own father is?
Did Joe know this?
If Nedu is indeed Joe's father, then Joe is
This
It's painful isn't it? Homosexuality and incest...

Jeez, and upon such a place Don't drool on the table!
You even took the alcohol?
Otoji-chan is at his part-time job at this time right?
It's so hard to breathe that I can't sleep...

Let me hose it down for you.
I'M SORRY. IT'S NOTHING, SO PLEASE DON'T!!
Was he serious? That brat..
Damn.
It had been a long time since I had sex.
Last night we were in the mood, so we overdid it too much.
That's all.

What expression should I have?
But, right now, that brat is having the face of a victor
If I meet Joe...
He had disappeared by the time I woke up
Aah, enough!
I don't have to be so fixated on it!
The feeling of Joe's hands on my back still remains with me even now
Don't tell me that he didn't think that THAT would happen?
In the end, how many times was it?
I don't even remember...

What?
Don't disappear yet.
It's a blue day.
I want to beat him up!
Oh, jeez what do you want?

——ども、定広です。自称、日活アクションポルノといふこのシリーズお楽しみいただけたでしょうか？
「灰とダイヤモンド」というタイトルは定広の好きな映画の一つ、ポーランドはアンジェイ・ワイダ監督の作品から拝借したものです。
ダイヤモンドのように輝く生き方も、一瞬にして灰と化す——天と地を紙一重にしてしまうような若い人生（ここでの登場人物全てにあてはまる）の象徴として、この話にはもうこれしかないタイトルでどうしても使いたかった！
音次からすればジョーの輝く生き方も、所詮幻影にすぎないという事をジョーの煙草の結末が語ってるのに何人の読者がお気づきか？
——なんてうんちくは後からくっついてきたもので、本当はまるでジョーダン話から始まったのよね、コレ。
電話で友人と、「ハスラーの話が描きたいなぁ、○○のとくれば名前はジョーだよね（笑）んでそいつの母ちゃんがマドンナで横須賀とくりゃリリィかお恵かァ？（笑）」——きっとお話が産まれるきっかけなんて皆こんなもんでしょ♡
音次は、音を出す次男坊って事で名前は決まり、だから兄キは静一で、ジョーのライバルとくりゃもうトオルでしょ、ってなカンジで。
これだけでも定広がいかに楽しんで描いてるかおわかり頂けたか？
でも実際、制作過程はキツかった、精神的にね。修業僧にでもなった様。父の入院——鶴病——死とモロにぶつかって、病院でネームをきるのはツラかった♡仕事場と実家が横浜—大阪という距離で、結局死に目にもあえず——というかもうあきらめで原稿描いてました♡でも、だからかえって仕事と仲間に支えられて強くいられたみたい。多くの方から励ましのメッセージや中には御守り、折り鶴を下さった方もいて、読者にも本当に支えられました。
本当に本当にありがとう//この気持ちだけはどうしてもちゃんとした形で残しておきたかったので単行本に記します。
この事に関係した全ての人々へ、どうもありがとうございました。
そして、私がこの職業について何より喜んでいた父へ、ごめんなさいとありがとうと、私の全ての作品を捧げます。ちょっと妙なマンガだけどネ（笑）。

あ、そうそう、つっこまれる前につっこんどこうか、
音次の銃を持つ手がコロコロ変わってるけど彼は両ききという事で、オチつけて。　　でわ、2巻にて再会を！
